

Non-Motor Symptoms in Parkinson's Disease and Atypical Parkinsonism: Knowing the Unknown

Thursday 16 - Friday 17 September 2021
Lund University, Sweden

*A Satellite Meeting to
the International Congress of Parkinson's Disease and Movement Disorders,
Virtual meeting 17-22. September 2021*

Scientific Sponsors:

Non-Motor Parkinson's Disease Study Group, Swedish Parkinson Academy, Swedish Movement Disorder Society.

Commercial Sponsors:

AbbVie (Gold), Bial (Platinum), Britannia (Platinum), Ever Neuro Pharma (Gold),
Global Kinetics Corporation (Gold), Symprove (Gold)

SYMPROVE™

Program committee and organisation

K Ray Chaudhuri, Kallol, UK	ray.chaudhuri@kcl.ac.uk
Falup-Pecurariu, Cristian, Rumania	crisfp100@yahoo.co.uk
Keyoumars, Ashkan, Ashkan	k.ashkan@nhs.net
Mundt-Petersen, Ulrika, Sweden	ulrika.mundt-petersen@med.lu.se
Odin, Per, Sweden	per.odin@med.lu.se
Sauerbier, Anna, UK	sauerbier.anna@gmail.com
Schrag, Anette, UK	a.schrag@ucl.ac.uk
Van Wamelen, Daniel, UK	daniel.van_wamelen@kcl.ac.uk

Technique

LU konferens

Organisation

Ulrika Mundt-Petersen (ulrika.mundt-petersen@med.lu.se) and Arvid Olsson (arvid@kaoskomm.com)

Timepoint

16-17. September 2021

Venue

Main Auditorium, Skåne University Hospital, Getingevägen 4, Lund, Sweden.

Language

The official languages of the symposium will be English

Meeting Time Schedule

Wednesday	1830	Pre-dinner lecture
	1900	Faculty dinner
Thursday	0800-1900	Meeting
	1930-	Dinner
Friday	0800-1045	Meeting
	1100-	Lunch

Lectures

Main lectures will be 25 minutes plus 5 minutes discussion

SCIENTIFIC PROGRAM

WEDNESDAY 15, SEPTEMBER, 2021

1830 - 1900 **Thursday Dinner: Pre-Dinner Talk:**

Translation of neuropharmacology and nonmotor symptoms from animals to humans: where did we go wrong?

Peter Jenner (UK)

1900 - Dinner

THURSDAY 16, SEPTEMBER, 2021

0800 - 0810 **Opening of the meeting**

Dean of the Lund Faculty of Medicine/ Ray Chaudhuri/Per Odin

0810 - 0940 **Session 1: Non-motor symptoms in prodromal phases of Parkinson's disease**

Chair: Håkan Widner and Tove Henriksen

RBD and Hyposmia: can they really help clinical decision making and development of motor Parkinson's?

Wolfgang Oertel (Germany, web)

Prodromal biomarkers: above and below the neck.

Per Borghammer (Denmark)

Prodromal NMS in Parkinson's and implications for clinical trials.

Daniela Berg (Germany)

0940 - 1010 **Coffee**

1010 - 1040 **Industry symposium: Bial**

1040 - 1240 **Session 2: Non-motor symptoms in early and late stages of Parkinsonism**

Chair: Pablo Martinez-Martin, Espen Dietrichs

Early Motor Parkinson's: nonmotor implications.

Alastair Noyce (UK)

Late Parkinson's: the nonmotor journey:

Anette Schrag (UK)

In life biomarkers in Parkinson's and NMS:

Oskar Hansson (Sweden)

Non-motor Symptoms in atypical PD:

Guenter Höglinger (Germany)

1240 - 1330 **Lunch**

1330 - 1400 **Industry symposium: Britannia**

1400 - 1450: **HotSpots and nonmotor Parkinson's**

(10 min research hot spot presentations)

Chair: Gesine Paul-Visse, Per Svenningsson

Ethnicity:

Anna Sauerbier (Germany)

DBS non-motor effects: time to be precise:

Haidar Dafsari (Germany)

Pain and sensory testing:

Kirsty Bannister

AI, digitisation and NMS:

Daniel van Wamelen (UK)

NMS and profession and workforce:

Jonathan Timpka (Sweden)

1450 - 1520 Coffee
1520 - 1550 Industry symposium: Britannia
1550 - 1820 Session 3: Treatment of Non-motor symptoms
Chair : Andreas Puschmann, Ashkan Keyoumars

Cognition and neuropsychiatry.
Daniel Weintraub (US)

Specific management of sleep, pain and fatigue: the vital 3:
Cristian Falup-Pecurariu (Rumania)

Non-motor fluctuations:
Alexander Storch (Germany)

Differences in NM effect profiles of advanced therapies: relevance for therapy decisions.
Lars Timmermann (Germany)

Advanced infusion therapies and specific NMS:
Per Odin (Sweden)

1820 - 1830 Coffee

1830 - 1900 Industry symposium

1930 - Dinner

FRIDAY 17, SEPTEMBER, 2021

0800-0830 Industry symposium

0830-1000: Session 4: The future and unmet needs
Chair: Peter Jenner, Angela Cenci-Nilsson

Covid 19 , non motor symptoms and Parkinsonism:
Elena Moro (France)

NMS and new molecules:
Angelo Antonini (Italy)

NMS and unmet needs:
K Ray Chaudhuri (UK)

1000 - 1030 Industry symposium

1030 - 1045 Summing up (Programme committee)

1100 - Lunch

1600 - Opening of the main MDS meeting streamed in lecture hall.
